

PLSS Monument Restoration/Refurbishment Agreement

Department of Transformation and Shared Services
Arkansas GIS Office - Division of Land Surveys
1 Capital Mall Ste 6D
Little Rock, AR 72201
501-682-4436

Agreement

To restore U.S. Public Land Survey System Corners in the State of Arkansas per the current Division of Land Surveys document Specifications for Investigation and Perpetuation of U.S. Public Land Survey Corners.

Payment

\$300 per restoration that does not require monument replacement (use existing monument).

\$500 per restoration that requires setting a new *Division of Land Surveys* monument.

An additional \$50 to be paid per restoration for corners restored in deficient counties (page 2).

An additional \$50 to be paid per restoration for corners restored with coordinates listed and certified to an accuracy of 0.5 feet or better. Coordinates must be in degrees-minutes-seconds format and values given to the thousandth of a second. Ex. 35°58'36.499", -092°28'04.011".

By signing my name below, I certify that I understand and will conform to the standards set forth in the Specifications for Investigation and Perpetuation of U.S. Public Land Survey Corners. My signature also certifies that all deliverables will be completed by myself or under my supervision.
